Dear St. John Church Family and Friends,

Here is our latest update concerning how the COVID-19 pandemic is impacting us. Your safety is paramount during the COVID-19 pandemic. As conditions continue to unfold, we are constantly seeking the Lord for wisdom and direction for the health and safety of our worshiping community.

Our Security Ministry Director met with Nueces County Health officials this past week. Our Leadership Team was briefed on the results of this meeting concerning churches regathering at 100% capacity. It is advised that churches do not reopen at 100% because of the current COVID-19 pandemic conditions.

Therefore, our current CDC guidelines and protocols have not changed. We will still perform, temperature checks, complete the CDC questionnaire, practice social distancing of six (6) feet, and wearing mask while in the St. John building.

What has changed for us is beginning on May 2, 2021 the ingathering 10:45a.m. worship will be comprised of two (2) combined Deacon Tribal Ministries; Last Names beginning with (A-D & E-J) and (K-R & S-Z). Please see the Ingathering Worship Schedule below.
